EDUCATION

Ph.D. 2000. Department of Food Hygiene and Ecology, University of Veterinary Medicine, Kosice - Slovakia.

M.V.Sc. 1996. Department of Food Hygiene, Faculty of Veterinary Medicine, University of Tripoli.

B.V.Sc. 1991. Faculty of Veterinary Medicine, University of Tripoli.

EXPERIENCE

Since 2019 Professor, Department of Food Hygiene. Faculty of Veterinary Medicine. University of Tripoli, Tripoli – Libya.

2015 - 2019. Associate Professor, Department of Food Hygiene. Faculty of Veterinary Medicine. University of Tripoli, Tripoli – Libya.

2006 - 2015. Assistant Professor, Department of Food Hygiene. Faculty of Veterinary Medicine. University of Tripoli, Tripoli – Libya.

2000 - 2006. Lecturer, Department of Food Hygiene. Faculty of Veterinary Medicine. University of Tripoli, Tripoli – Libya.

1996 - 2000. Lecturer Assistant, Department of Food Hygiene. Faculty of Veterinary Medicine. University of Tripoli, Tripoli – Libya.

1993 - 1996. Teaching Assistant, Department of Food Hygiene. Faculty of Veterinary Medicine. University of Tripoli, Tripoli – Libya.

DISSERTATION

Ph.D. (2000) Study on:

Status, Diagnosis and Elimination of *Escherichia coli* O157:H7 in Food

Under Supervision of: Prof. Rudolf Cabadaž

Department of Food Hygiene and Ecology, University of Veterinary Medicine, Košice, Slovak Republic.

M.V.Sc. (1996) Study On:

Surface Contamination of Mutton Carcass in Tripoli Abattoirs

Under Supervision of: Prof. Fathi Kalafallah.

Department of Food Hygiene, Faculty of Veterinary Medicine, University of Tripoli, Tripoli-Libya.

POSITIONS

1. Head of Food Hygiene Department, University of Tripoli, Tripoli – Libya, May, 2021 till now.
2. Head of Food Hygiene Department, University of Tripoli, Tripoli – Libya, 2015 – 2019.
3. Graduate coordinator, Department of Food Hygiene, Faculty of Veterinary Medicine, University of Tripoli, since Sept. 2013 till now.
4. Head of Food Hygiene Department, University of Tripoli, Tripoli – Libya, 2013 - 2014.
5. Visiting Professor at Clemson University, Agriculture Collage, Department of Human Nutrition, and Packaging (Poultry Lab under supervision of Prof. Paul Dawson, 2011 - 2012)
6. Head of Food Hygiene Department, University of Tripoli, Tripoli – Libya, 2001 – 2008.

ACADEMIC WORK

Master Thesis Supervision:

1. *Enterococci* spp. in Meat and Meat Products in Libya. 2017.
2. *Bacillus cereus* in Meat and Meat products in Libya. 2018.
3. *Staphylococcus aureus* in Meat and Meat Products in Libya. 2018.
4. Prevalence of Antibiotic Resistant of *Vibrio* Species in Fresh Fish Sold in Tripoli Fish Markets, Libya. 2019.

MEMBERSHIPS

1. Head of research team Food Safety and Hygiene of Animal Origin Products, Center of Research and Consultation and Training, University of Tripoli – Libya.
2. Member in the research project entitled Genetic authentication of bacterial isolates from meat and milk products in Libya and establishing the Food-borne Libyan-type Bacterial Collection (FLBC). The project is funded by the National Agency for Scientific Research (NASR) – Libya. (<http://www.nasr.ly/nasr2012/>).
3. Member in the Libyan National Center for Standardization and Metrology (LNCSM).
4. Member of commission on the Status conditions and controls procedures for the import of chilled and frozen meat (under the decision of the Director of Food Control Center and medicines No. (210), 2007.
5. Member of committee to study and review the sanitary conditions for the importation of animals and products of animal origin. (Under the decision of the Secretary of the General People's Committee for Agriculture, Livestock and Marine No. (207), 2007.
6. Member of commission to put the health requirements for poultry slaughter and sell shops and means of transport (by decision of the/ Secretary of the People's Committee of Housing, Utilities and Environment No. (54), 06/19/2005.
7. Member of committee to study the proposal from the Faculty of Veterinary Medicine to create a modern slaughterhouse and integrated over regarded as one of the projects of youth lending programs and the shift of production. (Under the decision of the Secretary of the People's Committee of Tripoli No. (976), 7/8/2005.
8. Member of commission to prepare a comprehensive program for the control and eradication of *Salmonella gallinarum* disease in poultry. (Under the decision of the/Assistant Secretary for Production Affairs of the General People's Committee No. (368), 2002.

9. Member of subcommittee specialized in meat and meat products. (Under the decision of the Secretary of the People's Committee of the National Center for Specifications and Standards No. (75), 2002.
10. Member of national committee for international food standards (Codex). (Under the decision of the Secretary of the People's Committee of the National Authority for Scientific Research No. (171), 2001.

TRAINING PROGRAMS:

1. Workshop under the supervision of the regional office for the Food and Agriculture Organization (FAO) entitled (risk analysis in the field of food) in cooperation with the National Center for Standardization and standards. Tripoli, 12-13/2/2006.
2. Training course of Chemical Analysis by using High Performance Liquid Chromatography (HPLC) (using and applications). University of Tripoli, Faculty of Veterinary Medicine. 28.5 - 3.6.2014.
