

CURRICULUM VITAE

of

Prof. Abdulla Masood Bashein*

MSc Biochemistry
PhD Molecular Biology

Date of Birth:	18.08.1963	Place of Birth:	Yefren-Libya
Nationality:	Libyan	Sex:	Male
Marital Status:	Married (with four children)		
Address:	Faculty of Medicine- Tripoli University (Tripoli- Libya)		
Mobile Phone:	+218-92-525 1160		
E.mail:	abashein_95@yahoo.com, a.bashein@uot.edu.ly		
Religion:	Islam		

Employment

1- Teaching

April 2015- Present

Professor at the Department of Biochemistry, Faculty of Medicine- Tripoli University (Tripoli- Libya).

April 2009- April 2015

Associate Professor at the Department of Biochemistry, Faculty of Medicine- Tripoli University (Tripoli- Libya).

Nov 2007- April 2009

Assistant Professor at the Department of Biochemistry, Faculty of Medicine- Tripoli University (Tripoli- Libya).

Nov 2004- Nov 2007

Assistant Professor at department of Public health, Faculty of Medical Technology- Tripoli University (Tripoli- Libya).

Sep 2004- Feb 2010

Lectured at the Academy of Postgraduate studies –(Tripoli- Libya). Taught Molecular Biology and Genetic Engineering courses.

Oct 2002- Sep 2004

Lectured at the Higher Institute of Medical Technology (Misurata- Libya), Taught Molecular Biology and Molecular Diagnosis for 4th year medical sciences students, and taught Molecular Biology and Molecular Diagnosis for the postgraduate students.

Nov 2000- May 2002

Research Associate (Post-Doctorate) School of Biological Sciences- University of Manchester.

Oct 92- Mar 93

Tripoli University of Medical Sciences- the Faculty of Medical Technology as a teaching assistant.

`

2- Postgraduate students Supervision

April 17- Jul 18 Supervised an MSc project titled: **Prevalence of HPV types 16 and 18 among Libyan women in Tripoli Libya**

Jan 12- Jan 14 Supervised an MSc project titled **Frequency and spectrum of hemochromatosis mutations in Libya**

Dec 11- Dec 13 Supervised an MSc project titled **Studying the association of MTHFR gene mutations with homocysteine levels in Libyan patients**

May 10 May 12 Supervised an MSc project titled **Studying the association of VNTR with PAH gene mutations in Libyan patients**

May 10- Dec 14 Supervised an MSc project titled **Studying PAH gene mutations in Libyan families with PKU children**

Jan 12-Jul 12 Supervised an MSc project titled **Examination of epidermal growth factor receptor amplification in Glioblastomas patients**

May 07- Feb 09 Supervised an MSc project titled **Polymorphism of the thiopurine S-methyltransferase gene in Libyans**

Feb 07- Feb 09 Supervised an MSc project titled **Molecular screening for the common mutations in Phenylalanine Hydroxylase (PAH) in Libyans suffering from phenylketonuria.**

Feb 07- 2008 Supervised an MSc project titled **Genotyping of *Helicobacter pylori* using vacA gene and it's relation to antibiotic resistance in Libyan patients**

Jan 07- Feb 09 Supervised an MSc project titled **Molecular Screening For the *SORBS1***

gene T228 A polymorphism in gestational diabetic and / or type 2 diabetic and polycystic ovary and obese patients in Libyans.

Feb 03- Dec 04 Supervised an MSc project titled (**Prevalence of anemia and its types during pregnancy in Tripoli region**).

3- Research

April 2016

Identified for the first time the mutation causing alpha thalassemia in a Libyan patient

Dec 2014

Identified mutations causing beta thalassemia in Libyan patients

Nov 2003- Oct 2004

Research scientist at the Biotechnology Research Centre (Tripoli- Libya).

Nov 2000- May 2002

Research Associate (Post-Doctorate) School of Biological Sciences- University of Manchester. During Post-Doctorate studies, worked on a project included the establishment of **microarray** facilities to be used for studying gene function (functional genomics).

3- Other Employments

2005- Now

Head of molecular diagnosis laboratory, Reference Laboratory, NCDC

Jun 89- Oct 92

Tripoli Reference Medical Laboratory as a Laboratory Technologist. The main area was Clinical Biochemistry mainly Hormones measurement using Radioimmunoassay (RIA), Enzyme Immunoassay (EIA), Haematology, and Serology.

Jan 86- Jun89

Yefren Central Hospital Laboratory -director of the Laboratory.

Oct 84- Jun 89

Yefren Central Hospital Laboratory as a Laboratory Technologist.

The departments worked in were (Clinical Biochemistry, Haematology, Serology, Parasitology, Blood Banking, and Medical Microbiology).

4- Administrative jobs

Jul 04 - Now

Head of the molecular diagnostics laboratory (NCDC)

Feb 12 - Nov 12

Chief Executive Officer (CEO) of the national consultancy group (NCG)

Aug 11- May 12

Member of the steering committee of the faculty of Medicine (University of Tripoli)

Jan 12- Sep 12

Member of the steering committee of the National center for disease control.

Jan 08- Dec 10

Head of the department of Biochemistry at the faculty of medicine (Tripoli)

Nov 06- Nov 07

Head of the department of public health at the faculty of medical technology (Tripoli)

Nov 03- Oct 04

Head of Genetic Engineering Department, in Biotechnology Research Cenetr

Education

Jan 97-Dec 2000

PhD (Molecular Biology). Supervisor Dr. Gerard Brady.

Physiology, Pharmacology and Toxicology (PPT) Division, School of Biological Sciences, University of Manchester (Manchester-UK).

The title of my project was **Isolation and characterisation of genes which are potential regulators of hematopoiesis.**

My project involved cloning, sequencing and characterization of genes that are specifically expressed in early stages of normal hematopoiesis.

As a result of that, I cloned and sequenced three murine genes which are deposited in the genebank under accession numbers: AJ308966.1, AJ308965.1, AJ308964.1

Sep 93-Jun 96

MSc. (Biochemistry). Supervisor Dr. Jacqueline. Weiss.

Department of Rheumatology, Faculty of Medicine, University of Manchester (Manchester-UK).

Title of my thesis was **Vitreous-derived inhibitor of angiogenesis.**

Apr 93-Sep 93

English Language course at International Language Centre (Hastings- UK).

1981-1984

Faculty of Medical Technology (Brack-Libya) BSc Hons, Medical Laboratory Sciences, with a final grade: Excellent (86.82%). The major subjects studied were Haematology & Blood banking, Biochemistry, Microbiology, Clinical Chemistry, Instrumentation/ Analytical Chemistry.

Conferences, Meetings and Workshops

- | | |
|--|---|
| 18-21 Feb 2018 | Biorisk Management (Kuala Lumpur-Malaysia). |
| 21-23 Sep 2017 | Strengthening health information system and medicines supply chain management (Tunis-Tunisia). |
| 13-16 Nov 2016 | Training on Laboratory quality management system (Tunis-Tunisia). |
| 22-26 Jun 2014 | IFCC worldlab Istanbul (Turkey) |
| 17-19 May 2012 | Eighth international symposium on molecular diagnostics (Graz- Austria). |
| 02-05 May 2012 | Arab Medical Laboratory 2012 meeting (Marrakesh- Morocco) |
| 05-06 May 2010 | Infectious substances shipping training, organized by the WHO, Muscat-Oman (Certificate of transport of infectious substances). |
| 03-04 May 2010 | Laboratory biorisk management awareness training, organized by the WHO, Muscat- Oman |
| 24-25 Apr 2010 | The 4 th annual PulseNet middle east strategic planning consultation, organized by the WHO, Muscat- Oman |
| 15-18 May 2009
(Tripoli-Libya) | Second Infectious & Endemic Diseases Scientific Conference (IEDSC 2007) |
| 22-5 May 2008 | Seventh international symposium on molecular diagnostics (Graz- Austria). |
| 07-12 June 2007 | Biostatistics Workshop (National Center for Infectious Diseases Control) |
| 04-07 May 2007
(Tripoli-Libya) | Infectious & Endemic Diseases Scientific Conference (IEDSC 2007) |
| 13-24 Jan 2007
Oman) | Computational Biology Workshop (Sultan Qaboos University, Muscat- |
| 25-27 May 2006 | Sixth international symposium on molecular diagnostics (Graz- Austria). |
| 22-24 Mar 2006 | Genomes and systems conference (Manchester- UK). |
| 27-29 May 2005 | 28 th Medic Africa Conference (Tripoli- Libya). |

- 17-19 May 2005** 3rd Medical Laboratories conference. For Development and Improvement of Blood Banks services. (Tripoli- Libya).
- 10-11 May 2005** Quality Conference 2005. For the enhancement of Quality Principles. (Tripoli- Libya).
- 12-14 Mar 2005** 3rd Libyan National Biotechnology conference (Sebha- Libya)
- 15 Dec 2004** Libyan Blood Banks Meeting (Tripoli- Libya) Presented a lecture titled: The use of molecular techniques in blood banks.
- May 2004** Ethical dimension to the genetic banks (Tripoli- Libya).
- 26-27 Apr 2004** Cloning of live organisms and its effect on the biological diversity (Benghazi- Libya).
- 04-06 Aug 2003** 2nd Libyan National Biotechnology conference (Al-Baida- Libya)
British Yeast Group meeting (UMIST).
- 5 Jun 2001** COGEME meeting (Bristol).
- 10-11 Apr 2001** Investigating gene function forum 2001 (presented a poster) (Wyboston Cambridge).
- 14 Feb 2001** Yeast Research Laboratory Mini Symposium (Manchester)
- 5 Dec 2000** COGEME meeting (Manchester).
- 13-15 Dec 1999** Genes and Cancer meeting 99 (16th meeting) (Warwick).
- 1st Oct 1999** The third molecular haemopoiesis workshop (London).
- 22-24 Jun 1999** Bone and Tooth Society annual Meeting (presented a poster) (Bristol).
- 25 Sep 1998** The second molecular haemopoiesis workshop (London).
- 1993-1995** Attended most of the North West extracellular matrix group meetings.

Scientific Committees

Membership of the 3rd Infectious & Endemic Diseases conference scientific committee

Membership of the National committee for Avian Flue Preparedness plan.

Membership of the 2nd Infectious & Endemic Diseases conference scientific committee

Membership of the 5th Biotechnology conference scientific committee

Membership of the Infectious & Endemic Diseases conference scientific committee

Membership of the 4th Biotechnology conference scientific committee

Membership of the 3rd Biotechnology conference scientific committee

Membership of the 3rd Medical Laboratories conference scientific committee

Scientific Societies

A full membership of the Libyan medical laboratories Society

A full membership of the African Society of Human Genetics
